

Mommy & Me

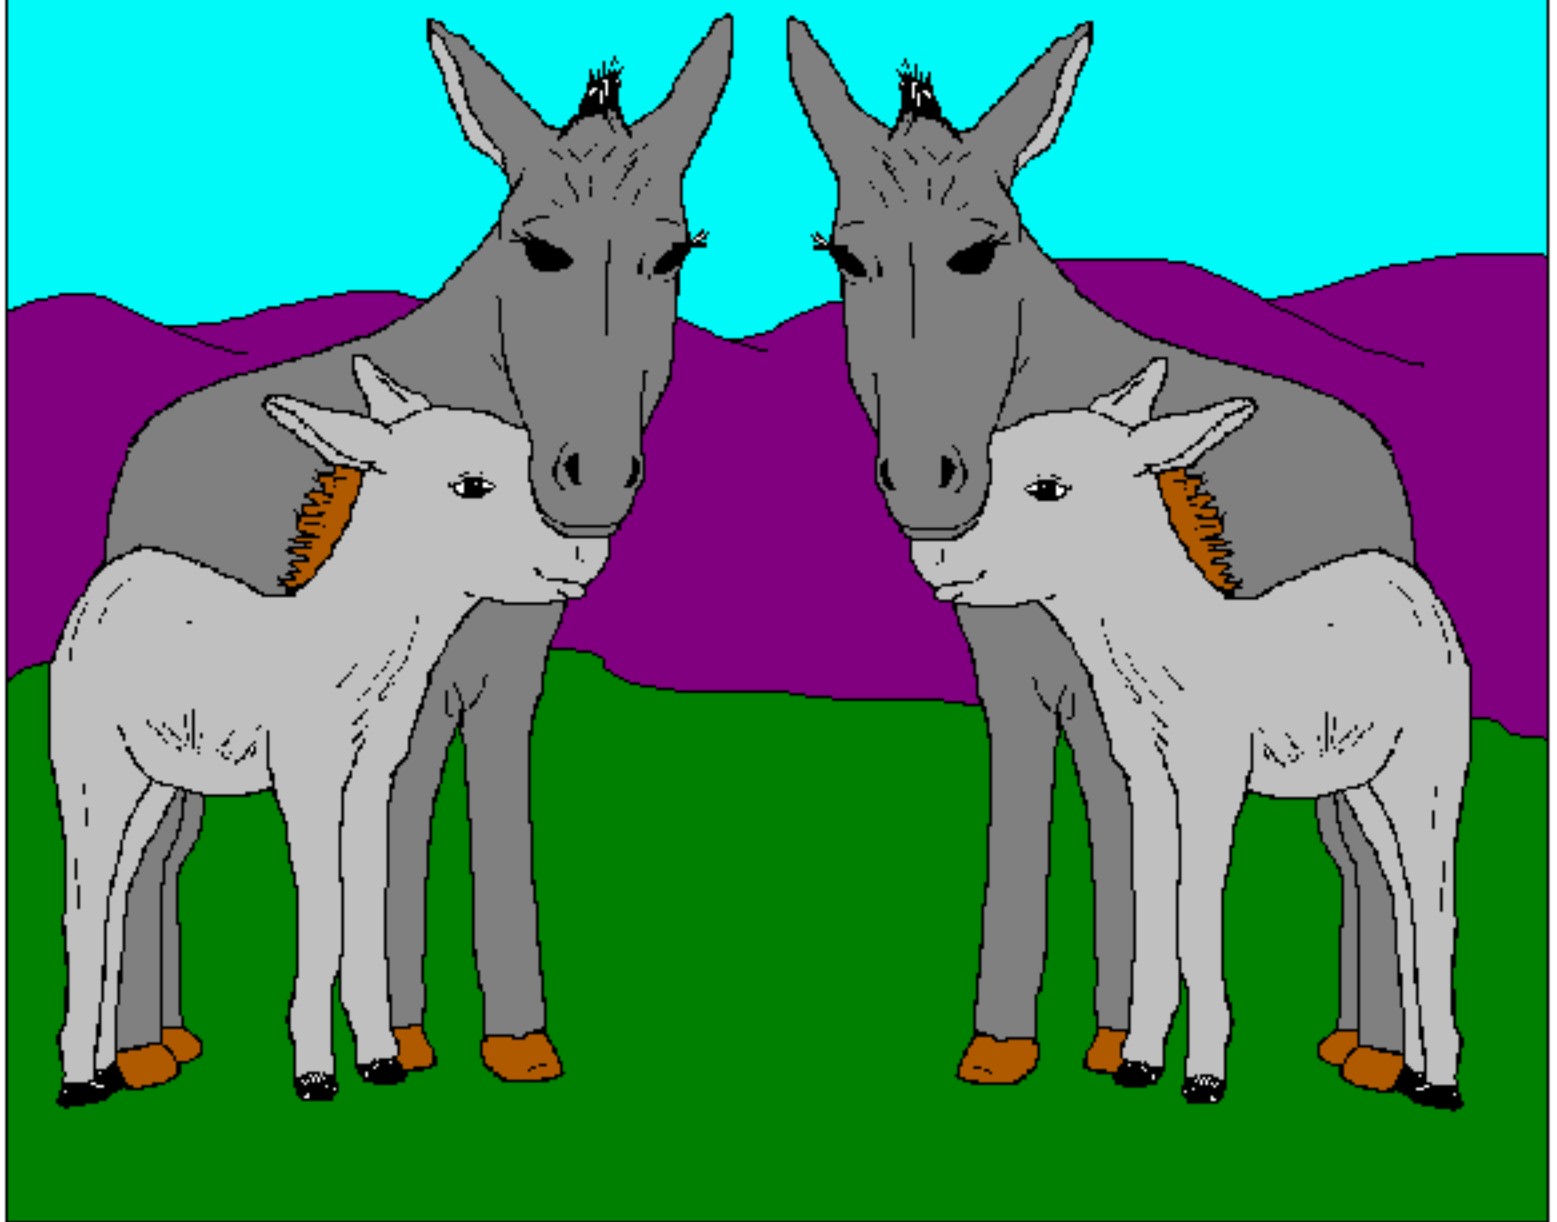

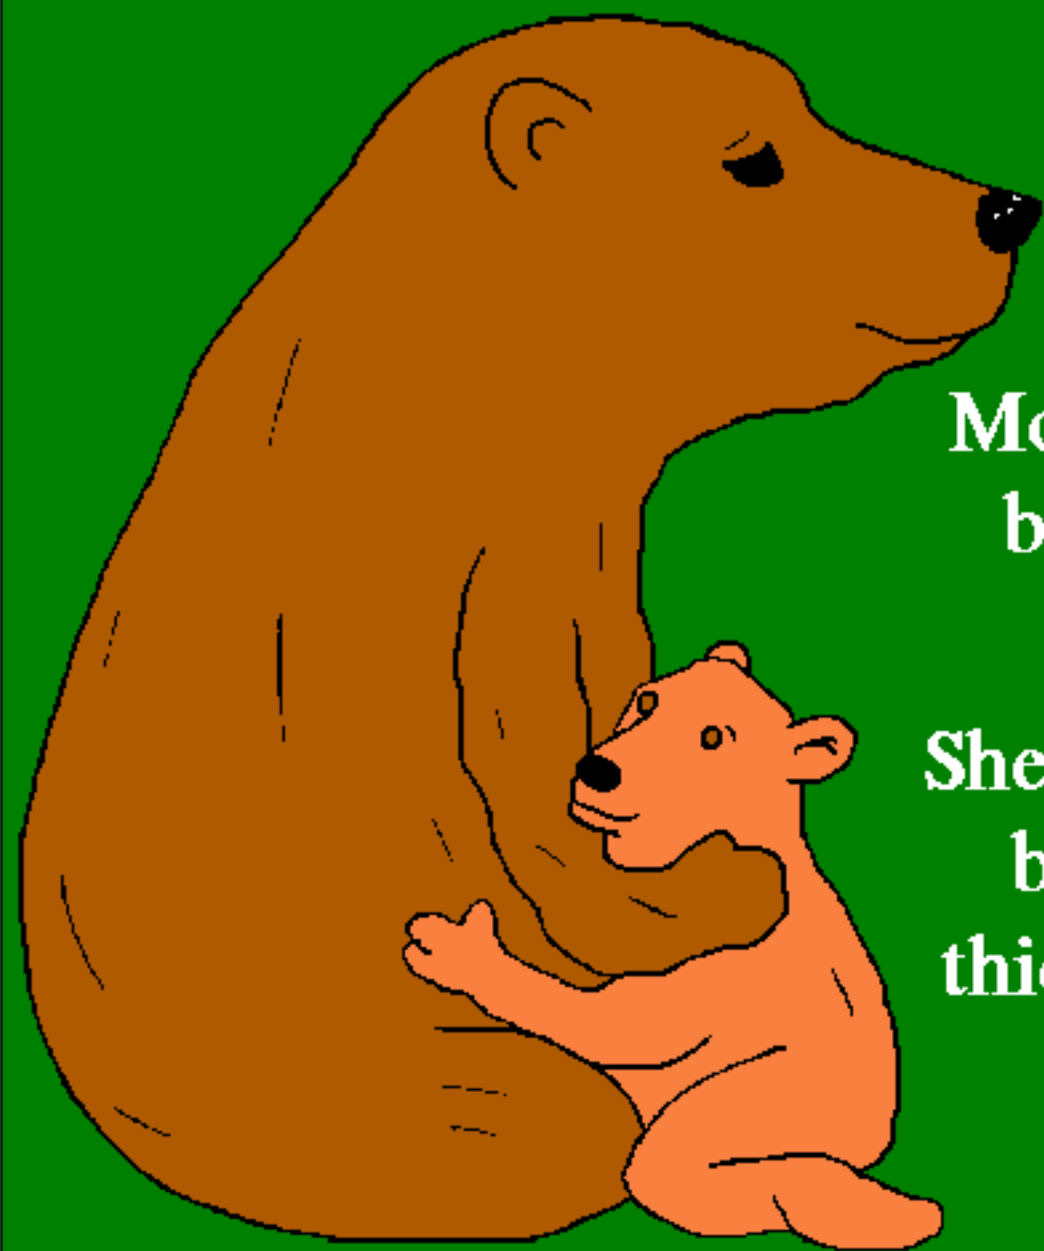

Better World Kids Clubs - BetterWorldKidsClubs.org

**There's no one quite like Mommy,
Mommy is the best!**

**I know she'll always love me,
and in her love I rest.**

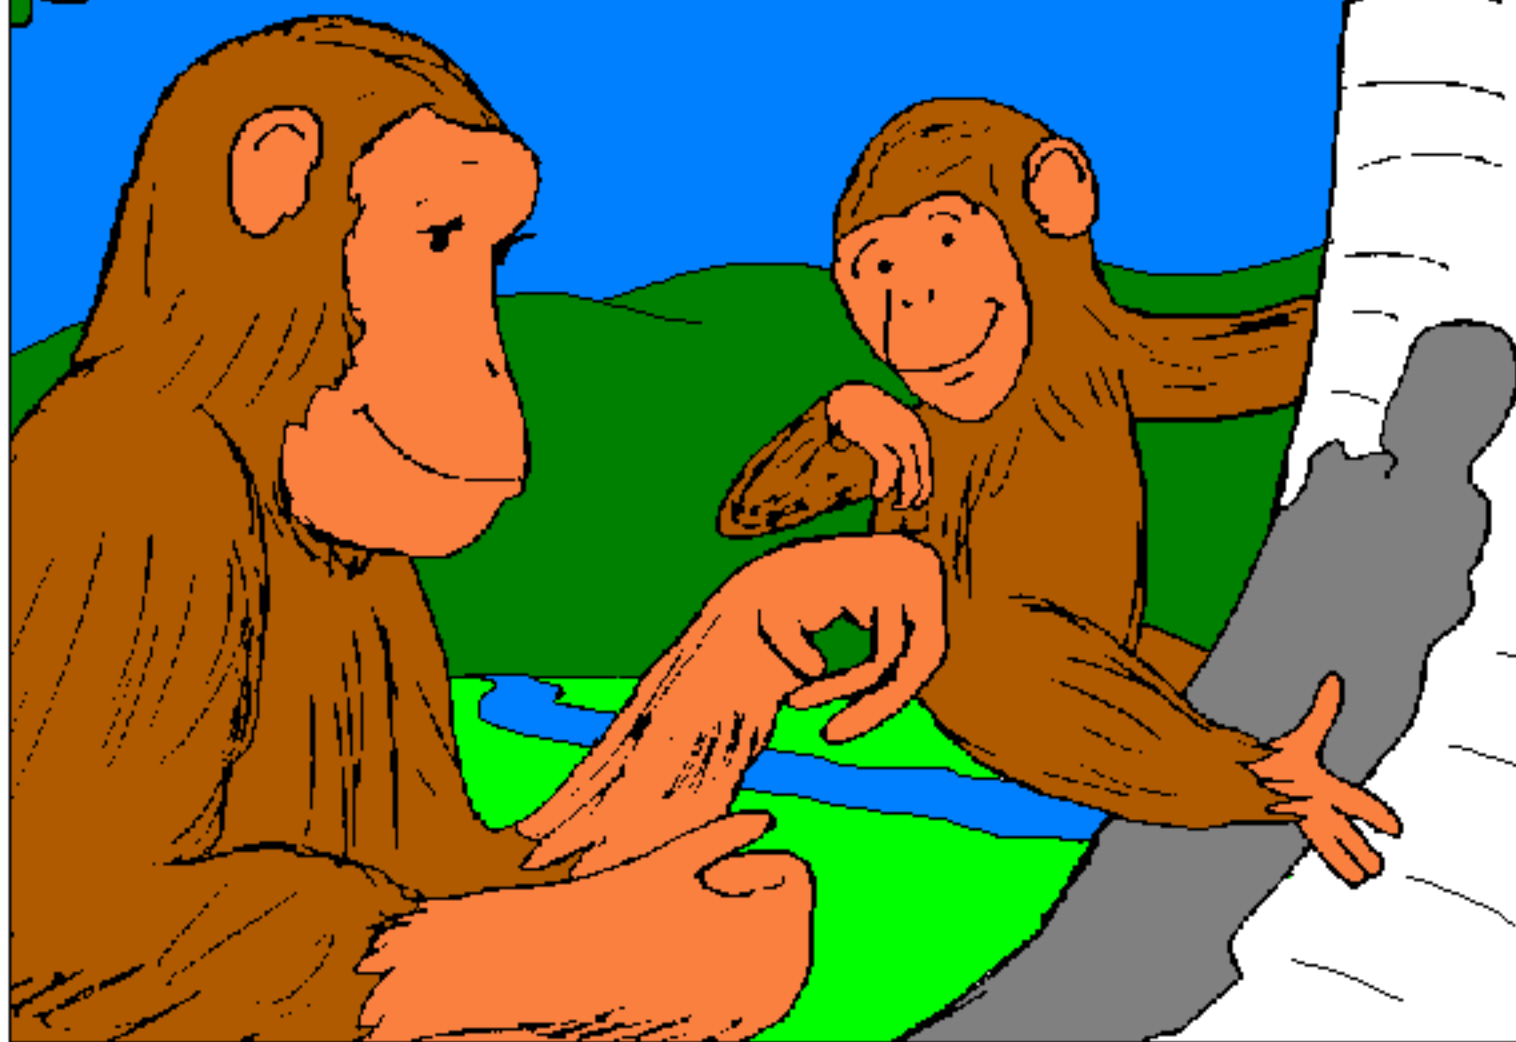

Mommy's
beary nice
to me,
She helps me
bear the
thick and thin!

**I'll bare my heart for all to see,
I can barely keep it in...
I love you, Mommy!**

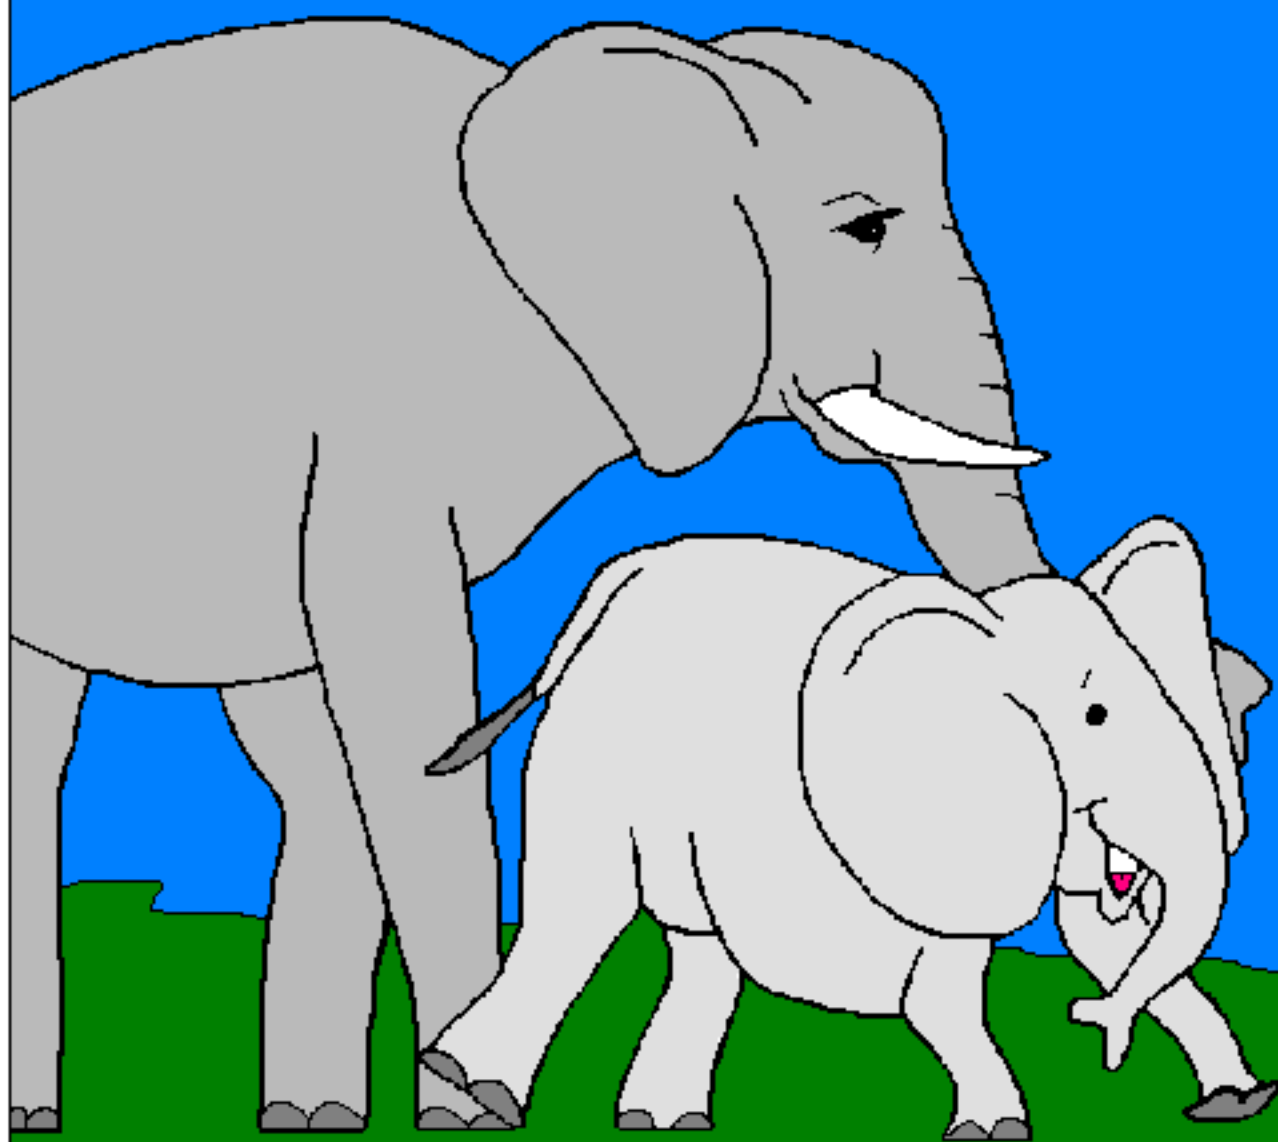

My Mommy loves fun, it's true...
She's a barrel of laughs, you see...

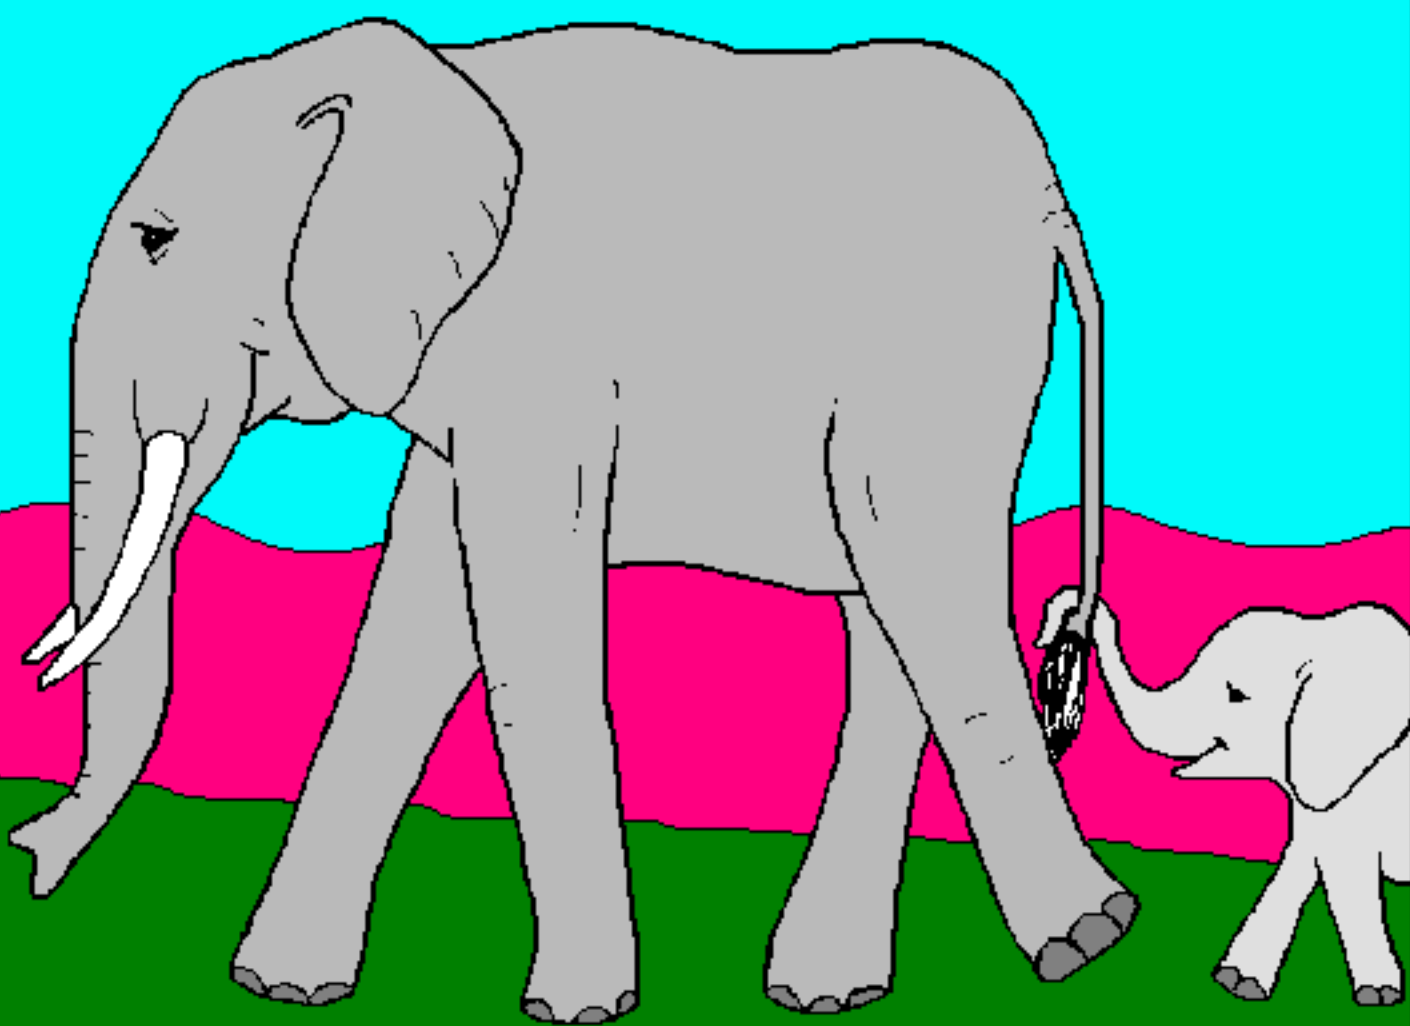

**And Mommy, between me and you,
I'm glad I'm your little monkey!**

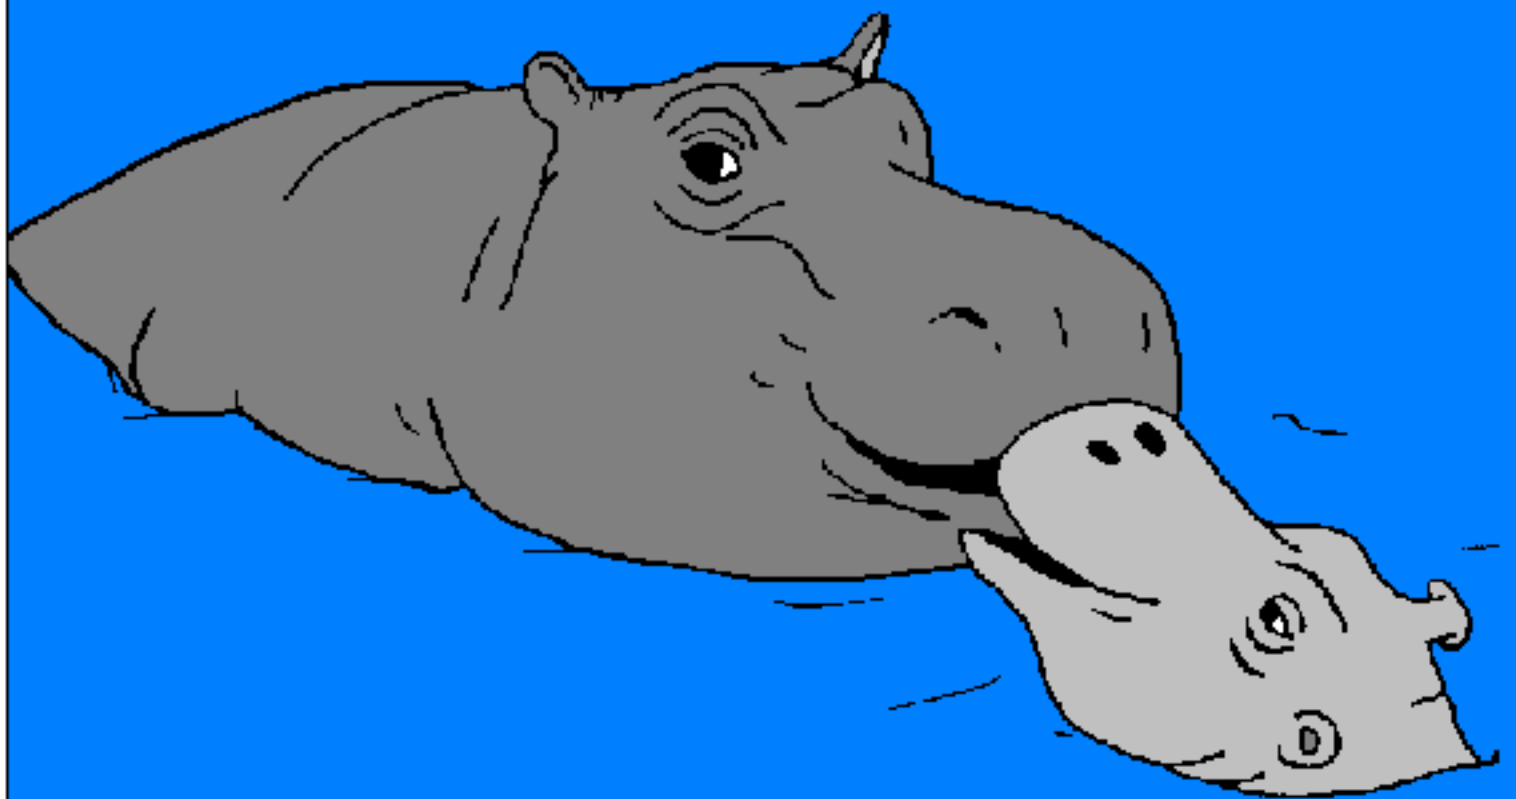

Mommy's heart is jumbo size.
I can see love in her eyes.

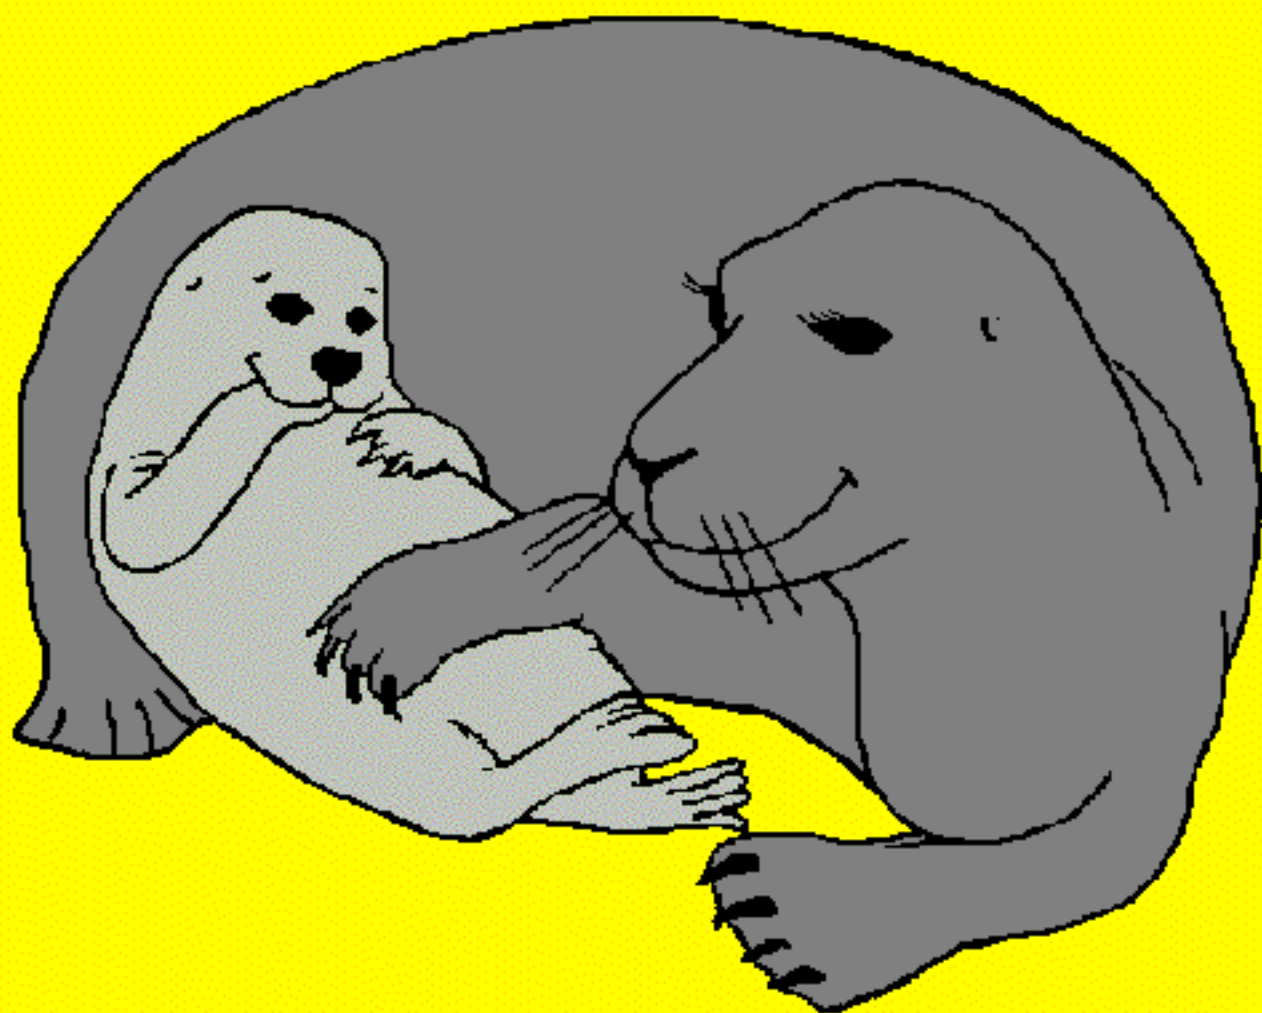

**Mommy never forgets to care...
I'd follow Mommy anywhere!**

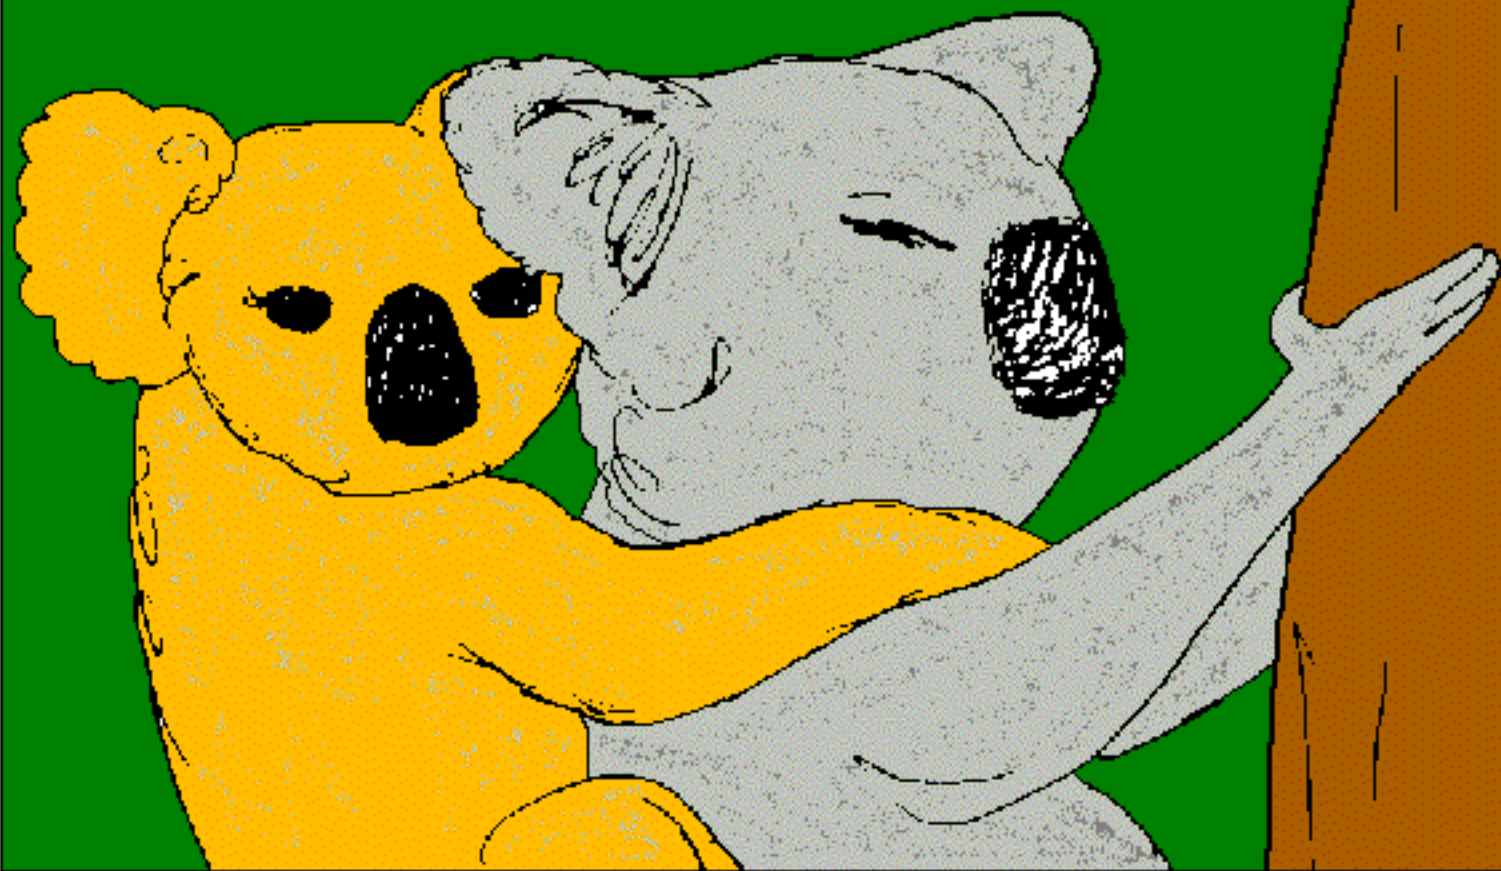

I may not always tell you
that I love you, but I do!

I may not always show you,
but my love for you is true!

When you put your arms around me,
I'm so glad that you do.

I'm glad that you're my Mommy.
Oh, Mommy, I love you!
