

Peace Is

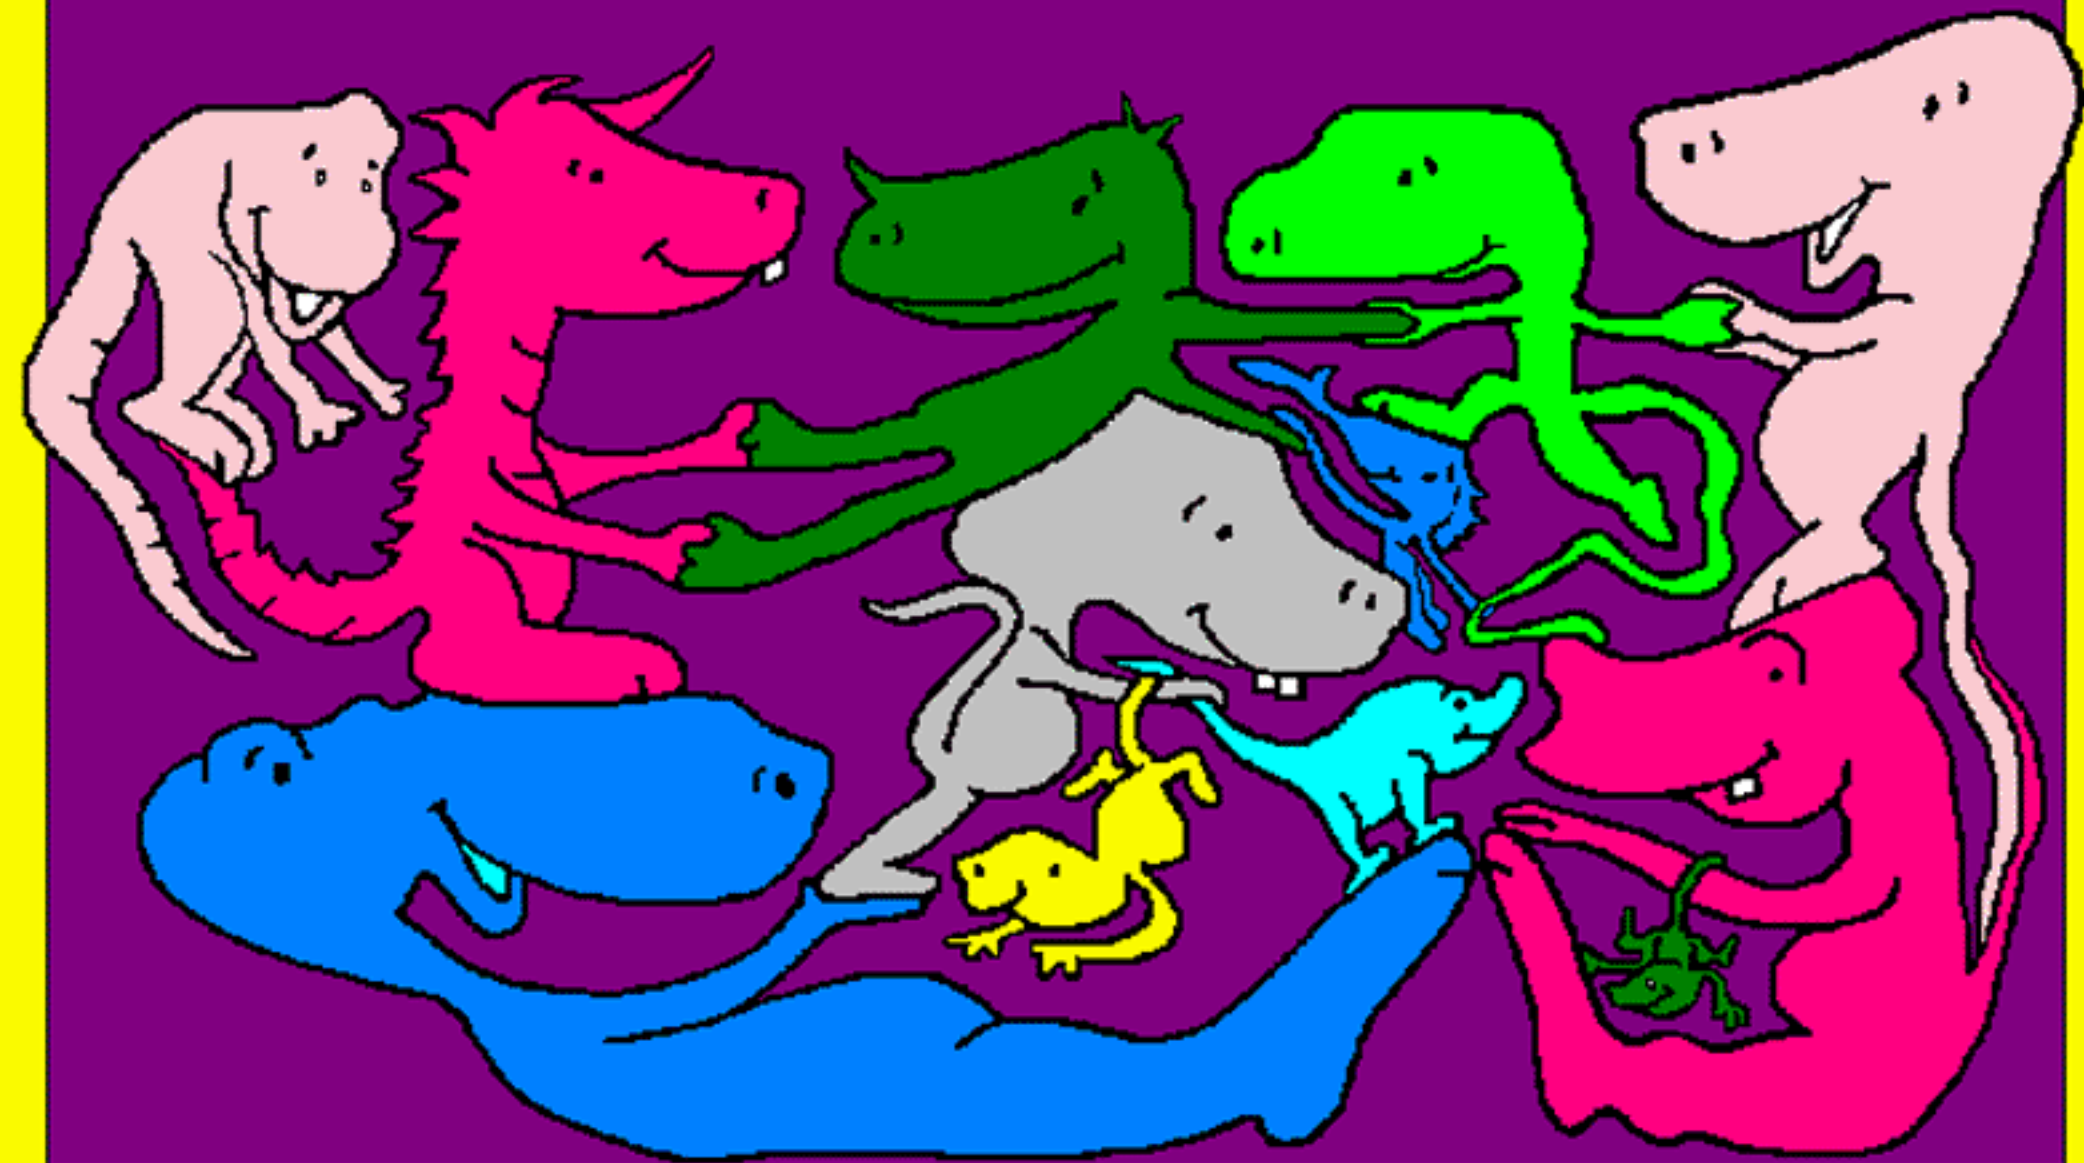

Peace is loving, you know...
Knowing you're loved
is Peace...

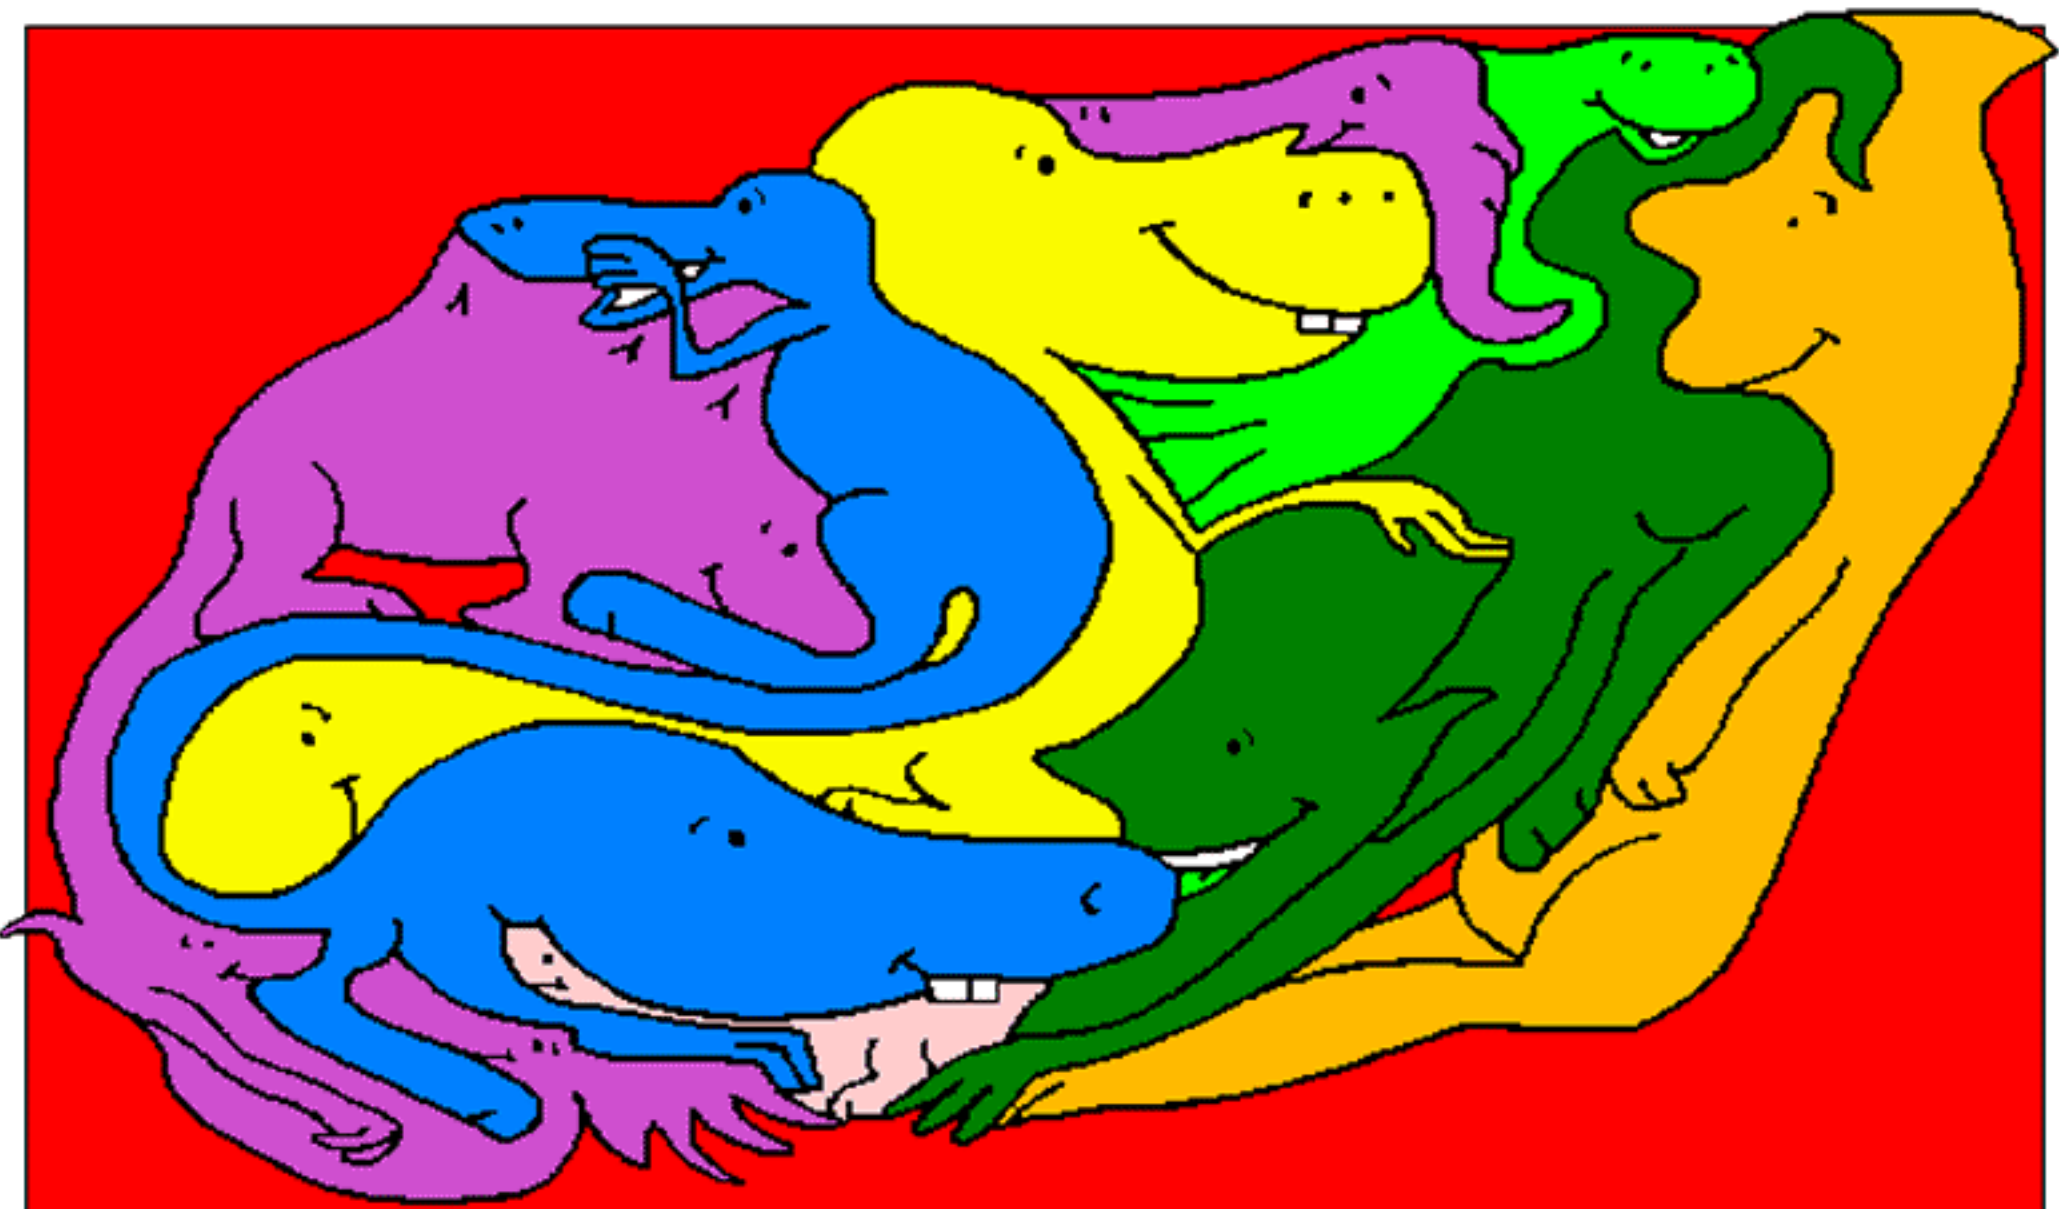

Peace is the only path to peace...

Peace is needing your friends,
And befriending those in need.

Peace is a good deed we do for those in need...
We need the good that peace can do, indeed!

Peace is a gift that we give peacefully...

Peace is you, peace is me...You and me peacefully.

Peace is getting along together...
Together we can get Peace to come along!
