

BE A HERO FOR A BETTER WORLD

"We are conditioned from the start to thinking of political choice and a different future for humanity, the Earth, and other species. We have developed a moral blindness to economic globalization and we will not rest until we see it halted." — Maude Barlow

"A diverse ecosystem will give us resilience. Because biodiversity means complex, overlapping ecological functions that can partially replace one another — when a particular species is destroyed by a severe disturbance or that link in the network is broken, a diverse community will be able to survive and reorganize itself." — Nigel Cunniff

BE A HERO FOR A BETTER WORLD

"I feel that environmental issues, particularly the loss of our natural resources, are the most important issues of our time. From the time that I was a child, I have been fascinated by the natural world. I have always been an environmentalist, and I hope that I can inspire others to do the same." — Leonardo DiCaprio

BE A HERO FOR A BETTER WORLD

"What an important role to play. We in the first place on our planet to have and protect the environment. We must protect our environment, our planet, our future, our children, our children's children, and our own. We must protect our planet, our children, our children's children, and our own. We must protect our planet, our children, our children's children, and our own." — Wangari Maathai

BE A HERO FOR A BETTER WORLD

"We're looking at the advances every animal on the face of the Earth, in a world where species are disappearing at an alarming rate. Species. Could we be generous? I only do that if I know I can't get any more. I need to be a little bit of a hero. I need to be a little bit of a hero." — Elizabeth II
